WHAT MOTHER MADE.
If food no longer tastes the same
Whatever care they take;
If you are sighing for the stuff
That mother used to make;
Arise at four and milk the cows.
Go out and feed the hogs.
Then, just to while the time away,
Split up some hickory logs.
So stop, before you kick about
The biscuit and the cake,
And get the kind of appetite
Your mother used to make.

"WISE AND FOOLISH"

Interesting Subject of Dr. Ely's Sermon Last Night

It was an inspiring sight to glance over the large audience that assembled last night at the Baptist Church to hear the Evangelists. The house was well filled, and intense interest was manifested by the rapt attention that was given.

Prof. Pearman's solos were never better, and the audience drank in every word that fell from the gifted singer's lips. Rev. Musselman led in the opening prayer, followed with a song, by the chorus and audience. Dr. Ely read his lesson from Luke, 12th and a part of the 16th chapters, then offered a prayer full of earnest simplicity.

Dr. Ely took for his text these words, "So is he," found in Luke, xii, 21. "We like an industrious man, and we have here in the text the picture of a man who was very industrious—thrifty. It was work with him from early morn'til night, heaping up unto himself the wealth of this world. He ever takes any pleasure. He saves money; everything temporal prospers under his hands. His barns are full, so he builds greater. He grows old in this way, and finally he sits down and has a talk with his soul. 'Soul, you have worked hard; had very few pleasures in life; but now, oh, soul, take thine ease; eat, drink and be merry!'"

"But its too late. There comes along a higher power, which says, 'Thou fool, this night thy soul shall be required of thee!' He has a large funeral; every body turns out because he was a rich man. Words of praise are heard from all sides about this rich man. A beautiful monument is erected over his grave, with words of scripture carved on it, and words of commendation. But an unseen finger writes across it all, 'Fool.'"

"Why did God call this man a fool?"

"Was he a fool? If so, there are a great many fools here tonight, because you are doing as this man did. What is a fool? It means being a rebel against God's name—your will being supreme. Fool means rebel. This man was wise in the eyes of the world, because he had heaped up riches. It takes a wise man to be a fool. We are not talking of the fools of the slum districts, but the fools of the slums of Fifth avenue. This man was a fool from two standpoints:

"1—He made the body supreme to the soul. What is first—body or soul? The first thing we get acquainted with is our body; we strive for material things; see no further than this present life. There are many short-sighted men trying to feed the soul in the terms of the body; build everything for the body, give everything to the body.

"2—Found himself in a material world. There are two worlds—material and divine. Many in Maysville today are just like that fool who back there in Christ's time—they bank on things that will soon perish.

"3—He was a fool from the standpoint of time, the pleasures of this present moment. This is a mercenary age; grasping and clinging to the things of time, ignoring eternity. A great many of you here think if the stores and saloons close on Sunday it is awful. Can't give one day to God. If you are living for the present, you have left eternity out. Time is just a mere speck. The man who comes in contact with Christ and the cross has his horizon enlarged. He gets a greater view, and lives this minute as for eternity.

"Then this man was a fool because he presumed upon what he didn't have. He could not see beyond his nose. Smart man according to the world, but a fool from God's standpoint. Just when he got ready to enjoy himself the Death Angel came and told him to get ready. What should he get ready? Had never thought of such a thing, had never paid any attention to his soul. He had no insurance on this world. Self had got on top, and the soul was underneath. Let us get the soul on top and self underneath."

Prof. Pearman sang "Eternity" with all the pathos and emphasis he could put into it, and it should have sounded an awaking chord in some soul. Dr. Ely made an earnest plea for men to decide for eternity.

The meeting at 3 o'clock will be held in the First M. E. Church, South, where "Pilgrim's

Progress" will be pictured out. This is especially for the children.

Tonight there will be a grand rally at the Baptist Church. Dr. Ely has taken charge of the Business Men's prayer meeting at 11 o'clock in the Rasp building. Three men professed Christ there yesterday.

THE Court of Appeals, Judge Hobson writing, has delivered a body-blow to the hobo damage suit industry. In deciding a case in favor of the Illinois Central Railroad he said—

"Railroads—Damages.—Where there was no evidence that the presence of one who was injured by being struck by a moving train was discovered by those in charge of the train in time to avert the danger to him by the exercise of ordinary care, under the well-settled rule that he was a trespasser, the company was under no obligation to maintain a lookout for him and is not responsible to him unless his danger was perceived, and there was after this a failure to use ordinary care for his safety."

EVERYMAN.

"Everyman" at the Washington Opera-house tonight by Rudolph E. Magnus and his excellent company, is worthy of more than passing notice. "Everyman" is more than a play. It stands in a distinct class by itself and to miss the opportunity of witnessing this strange play ought to be a matter of sincere regret. Mr. Magnus's portrayal of the exacting title role is an exceptionally scholarly and intelligent performance, and one that makes an impression upon his auditors. The supporting company has also found favor with the critics and a performance of a high degree of excellence can be anticipated. From a scenic standpoint the production will be complete. Mr. Magnus brings with him all the special scenery used by him recently in Chicago. The Maysville Orchestra will render the following program: "Everyman" Overture; "Pilgrim's Chorus" from Tannhauser; "Evening Star" from Tannhauser. Seats on sale at Ray's.

JUMPED FROM THE TRAIN

Broke Through the Ice in the River and Made His Escape

John Emmons, colored, of Ripley, O., was arrested in Dover yesterday for disorderly conduct. After a preliminary trial the Marshal attempted to bring him to this city.

As the train slowed up at South Ripley, Emmons leaped through a window and made a dash for the frozen river. The excitement of the chase caused him to get on dangerous ice, when he broke through.

He was rescued with difficulty and hauled out on Ohio soil, where he is safe from Kentucky officials.

REV. J. W. PORTER, D.D.

High Praise Given Him and His Work at Huntington, W. Va.

In connection with the closing of the revival meetings at the Fifth Avenue Baptist Church, the following resolutions were adopted:

The Fifth Avenue Baptist Church, Huntington, W. Va., to the First Baptist Church, Newport News, Va.—Greetings: For years your city, situated on the bank of Virginia's great bay, has been connected with our city, 500 miles Westward, on the Ohio river, by the great Chesapeake and Ohio Railway. Now a stronger tie than this binds us together, for the Lord has wrought great things among us through your beloved and our beloved Dr. Porter, and it is with a feeling of profound gratitude to him, to our God and to you our fellow Christians that we send you these greetings. We feel under great obligations to you for your indulgence in our behalf in sparing to us for so many weeks your Pastor to preach God's message of love and salvation to lost men and women. His efforts in Christ's name have been crowned with signal success, 115 precious souls having been brought into the Church. The schools and whole city have been influenced and quickened and the Church revived as never before, and even now after four weeks the house is crowded and the interest unabated, and while we feel that the meeting could be continued with great profit, we feel also that we should not prevail longer to detain Brother Porter from his regular work, so we send him back to you with Christian love and with the hope and belief that God's sanction will ever abide upon the work of the past four weeks, which will be memorable in the history of this city. May you, too, be visited with a like blessing of the riches of God's grace in our prayer.

Dr. Porter was the beloved Pastor of the First Baptist Church in this city for several years, and his eloquent voice did much good in the Master's vineyard here.

His large following of admirers and well wishers in this city take a deep interest in his welfare.

ITS MERIT IS PROVED

RECORD OF A GREAT MEDICINE

A Prominent Cincinnati Woman Tells How Lydia E. Pinkham's Vegetable Compound Completely Cured Her.

The great good Lydia E. Pinkham's Vegetable Compound is doing among the women of America is attracting the attention of many of our leading scientists, and thinking people generally.

The following letter is only one of many thousands which are on file in the Pinkham office, and go to prove beyond question that Lydia E. Pinkham's Vegetable Compound must be a remedy of great merit, otherwise it could not produce such marvelous results among sick and ailing women.

Dear Mrs. Pinkham:— "About nine months ago I was a great sufferer with womb trouble, which caused me severe pain extreme nervousness and frequent headaches, from which the doctor failed to relieve me. I tried Lydia E. Pinkham's Vegetable Compound, and within a short time felt better, and after taking five bottles of it I was entirely cured. I therefore heartily recommend your Compound as a splendid uterine tonic. It makes the monthly periods regular and without pain; and what a blessing it is to find such a remedy after so many doctors fail to help you. I am pleased to recommend it to all suffering women."— Mrs. Sara Wilson, 31 East 3d Street, Cincinnati, Ohio.

If you have suppressed or painful menstruation, weakness of the stomach, indigestion, bloating, leucorrhoea, flooding, nervous prostration, dizziness, faintness, "don't-care" and "want-to-be-left-alone" feeling, excitability, backache or the blues, these are sure indications of female weakness, some derangement of the uterus or ovarian trouble. In such cases there is one tried and true remedy—Lydia E. Pinkham's Vegetable Compound.

They still go at 15c, 20c and 25c. No money in them to me at the prices, but they are snaps for you. FINEST TEAS bought directly from the importers. Can't be equalled in Mayville, either in price or quality. PERFECT FLOUR always gives satisfaction. If you want the best at all times don't buy any other brand. You know I would not sell it and recommend it for sixteen years continuously if it was not what I claim for it—it always is the best. Those extra fine fall catch MACKEREL are going like hot cakes just because they are what I recommend them to be—the finest that can be bought. Remember, I guarantee everything I sell to be just as recommended. If I tell you an article is the best, and you find it is not, return it and get your money back. At the extremely low prices I have named on these goods I must ask my customers to pay cash when they wish to take advantage of the prices.

VINOL'S RELIABILITY.

STRONG EVIDENCE OF MERIT.

Prominent Physicians Join with Mr. Pecor in Recommending Vinol

Countless physicians and druggists are now prescribing and endorsing Vinol as the most valuable cod liver oil preparation known to medicine, and it is fast superseding all other forms of cod liver oil.

A prominent physician writes: "I am satisfied that Vinol derives its wonderful life-giving and strength-creating power from the medicinal curative elements found in the cod's liver. It is the best strength creator and vitalizer for old people, weak women, children, and the convalescent that I ever saw."

Another physician writes: "I could cite many cases where health has been restored in a surprisingly short time by Vinol. I should be very sorry to have to do without Vinol in my practice. It has no equal for hard colds, throat and bronchial troubles."

In cases where cod liver oil, emulsions and other tonics fail, Vinol will heal, strengthen and cure. Try Vinol on our guarantee. JOHN C. PECOR, Druggist.

DIED AT PORTSMOUTH

Clay Coburn Passed Away While at Work in Shoe Factory

While at work as usual yesterday morning at the Drew-Selby Shoe Factory at Portsmouth, Clay Coburn, aged 68, was seized with a smothering spell and before a Doctor could be summoned he was beyond medical aid. He sank to the floor almost without warning and never uttered a word before his death ensued.

Death was attributed to heart failure. Mr. Coburn was subject to attacks of the heart, but lately had been feeling unusually well until Wednesday, when he sustained a severe fall on the icy sidewalk and it is thought that the fall indirectly caused his sudden death.

The deceased was born in Maysville and is survived by a wife, Mrs. Rella Coburn, and four children: Merritt, Emerson, Kenrick and Roy. One sister survives, Mrs. Betta Weimer, of Augusta.

Mr. Coburn moved his family from Augusta to Portsmouth about two years ago.

Frederick Robie, aged 84, is the grand old man of Maine. He remains as a marked personality in the affairs of his Commonwealth.

"There Isn't One Really Good Printer in Five Hundred."
Printers' Ink—the leading journal on
publicity of all kinds—has the following
to say: "There are thousands of printers
in this country, good, indifferent, and a
lot of bad ones. There isn't one really
good printer in five hundred. Intelligent
advertisers are willing to pay for good
printing, no matter where it comes
from."
Printers' Ink knows what it is talking
about. Poor printing is a bad investment
—it's worse than a blank. A business
man's stationery or booklet is like a
travelling man—if it's neat, well-dressed
and to the point, the first impression is
good and your chances of doing business
on the strength of it are good.
We realize this. We keep abreast of
the times. We know what good printing
is and produce it. We are pretty careful
not to let a bum job get onto our presses.
No press in the country can better our
printing and we want you to know it.

Old Croxton Post No. 9, G. A. R., met Sat-
urday with the usual quorum, but laid about all
business over until the March meeting.

Speaking about county officials, do one tenth
of the people know the duties and qualifications
of a Precinct Magistrate? They can't tell here.

The number of snows that have fallen this
winter may have something to do with the ques-
tion when we agree what a snow is. Snows
are like local rains in spring and summer, and
are more frequent in some places than others.
We keep a desk calendar on tap for each day
and note the weather changes for each day, and
don't count a snow unless it covers the ground
and with proper interval between snows and
the proper changes in the weather to cause or
bring snow. Spitting snow is not a snow unless
it covers the ground, by our count.

MRS. MALINDA PARKER.
Mrs. Malinda Parker, aged 81 years, died at
12 o'clock yesterday at her home near Lewis-
burg after a protracted illness.

She was a daughter of Basil and Elizabeth
Calvert, and was born and lived her entire life
in the house in which she died.

Besides her aged husband she leaves three
children—one daughter at home, Mr. William
Baker Parker and Mrs. Collier of Cincinnati, a
brother and sister in the West and a brother in
this city, the venerable Peter Parker.

The funeral will take place this afternoon
at 2 o'clock in the Lewisburg Baptist Church,
with services by Rev. Butler.

ALLEN STERRETT.
Allen Sterrett, aged 18, died at his home in
Clifton last night of diphtheria.

He leaves numerous relatives here, among
them Miss Anna King and Mr. F. M. King of
this city.

The funeral will occur tomorrow afternoon at
2 o'clock, with short services at the Cemetery.

H. J. DEWITT.
Mr. H. J. Dewitt died at his home at Pt.
Pleasant, W. Va., February 8th of pneumonia.

He leaves a wife, one son—Henry—and a
daughter—Mrs. Roy Williams—to mourn his
loss.

His remains will be taken to Erie, Pa., for
burial.

He was a former resident of this city, and
father-in-law of Mrs. Herry Dewitt, nee Miss
Nannie Thompson, daughter of Mr. and Mrs.
Joseph Thompson of East Fifth street.

**Chamberlain's Cough Remedy the
Mother's Favorite.**
The soothing and healing properties of this
remedy, its pleasant taste and prompt and per-
manent cures have made it a favorite with people
everywhere. It is especially prized by mothers of
small children for colds, croup and whooping-
cough, as it always affords quick relief, and as it
contains no opium or other harmful drug it may
be given as confidently to a baby as to an adult.

GONE FOR GOOD.

No Reason For Any Maysville Sufferer
to Fear the Return of It.

How often the pain returns to the aching
back when you think you are well rid of it. No
fear of such a return after using Doan's Kidney
Pills. They make bad backs well and weak
backs strong and keep them so. The testimony
of Maysville people proves this claim a fact.
You can readily ratify such fact by the follow-
ing:

John Wallingford, living at the corner of
Commerce and East Second streets, Maysville,
Ky., says:
"I first procured Doan's Kidney Pills in 1899
at J. Jas. Wood & Son's Drugstore, and they
stopped an attack of back-ache, one of many
which had annoyed me for some time. My wife
at that time gave for publication in our local
papers a statement telling of the great benefit
I had derived from Doan's Kidney Pills, and
now, some five years later, I can say that the
cure then effected has been complete and per-
manent. My back and kidneys have never given
me the least cause for complaint. Mrs. Wal-
lingford also appreciates the value of Doan's
Kidney Pills from personal experience with
them. She suffered most acutely with back-
ache, especially at night, and Doan's Kidney
Pills promptly and thoroughly cured her."
